VA Hospital Management Charges Aired by Leaders

A separate budget for the medical division of the U.S. Veterans Administration and various changes in the operation and management of hospitals were recommended Monday by Dr. William Reid Morrison, surgeon general of the Veterans of Foreign Wars, during an inspection tour of the VA hospital in North Palo Alto.

Dr. Morrison and Merritt F. Williams, national chaplain of the VFW, said that although the local neuro-phychiatric hospital is overcrowded, medical care, morale and services compare most favorably with that found in other VA hospital medical installations.

The surgeon general said that the VFW proposes a $450,000,000 VA medical budget to insure hospitalized veterans of continued high quality medical service.

He asserted that the salaries of hospital managers and doctors in the VA medical service should be raised and that more freedom should be given managers in the operation of hospitals.

Dr. Morrison also stated that the VFW feels all new veterans' hospitals should be general hospitals with wings for neuro- psychiatric and tubercular patients. He explained that this policy will remove any possible stigma attached to confinement in specialized hospitals.

Dr. Morrison said he favored establishment of separate hospitals for men and women neuropsychiatric patients. He said he also was in favor of the skyscraper type of hospital construction which reduces build- and operating costs and is more convenient for treatment of patients.

Dr. Morrison and Chaplain Williams will report their findings to Edith Nourse Rogers, congresswoman from Massachusetts and chairman of the House Veterans' Affairs Committee. They will then present their report to the President.

it takes TEAMWORK to SAVE electricity

Water is the lifeblood of California, and the burden of the critical water shortage must be shared by all. Not just the farmer! Industry, labor, business and the home must carry their share.

Long, dry months are ahead. Likelihood of appreciable rain diminishes daily. WATER MUST BE SAVED IN RESERVOIRS to meet even minimum requirements for domestic water supplies, irrigation and power production the rest of the year.

EVERY KILOWATTHOUR OF ELECTRICITY SAVED IS WATER CONSERVED!

ALL POWER THAT CAN BE SAVED MUST BE SAVED!

Teamwork today, through complete and conscientious cooperation with the Public Utilities Commission power curtailment program, will help forestall more severe restrictions later on.

Effective cutbacks by business, agriculture and industry today will minimize shutdowns and unemployment necessary despite all human efforts to counteract the drastic effects of drought in California.

here's how YOU can help:

1 FARMER

You, of course, are hardest hit by drought. But everyone else is sacrificing to help you. Industry is taking drastic cutbacks in production. Labor is taking cutbacks in shortened work weeks. Business is working literally in the dark and sacrificing revenues. Housewives, too, are on the team. Your share is a major contribution . . . closing down one day a week your pumps that put precious water on your parched land. Any other power saving you can make will stretch your water supply.

2 INDUSTRY

Management and labor alike are part of the team. Industrial economy and payrolls are inseparable from California's farm economy. And water is as vital to industry as it is to the farm because the bulk of the power that turns industry's wheels depends upon water. Industrial curtailments today forestall more drastic restrictions and greater manpower layoffs later. Every saving you can make will stretch your power supply.

3 BUSINESS

Butcher, banker, merchant, . . . your business in this state is part and parcel of the State's economy. Your contribution in power curtailment is vital to you as well as to the farmer, the industrialist and the laborer. You owe conscientious cooperation to your neighbor as well as to yourself. Police your own premises. See that the Commission's curtailment orders are carried out to the letter. And take whatever further steps you can find to save power and thus conserve precious water.

4 HOME

No power saving is too little to save water. Switching off one little light bulb for one hour seems a small way to cooperate in this emergency. But multiply your one light by thousands of homes in Northern and Central California and you will save enough water to operate a giant 100,000 horsepower electric plant for that one hour. Housewives can and must play a helpful role during this emergency. Switch off and turn out appliances and lights when not in use. Every little bit of electricity you save contributes to the public good.

SAVE ELECTRICITY FOR THE GOOD OF ALL!
ELECTRICITY SAVED IS WATER CONSERVED

RC Man Dies, 17 Hurt In Weekend Accidents In San Mateo County

Wilfred A. Dean, 21-year-old army veteran and Sequoia High School graduate, was killed in an automobile accident Friday evening, a few minutes after he and his fiancee decided to get married immediately.

Wet roads and poor visibility during the weekend contributed to 14 other traffic accidents which left a toll of 17 injured, four seriously.

Dean, who lived at 1605 Middlefield Rd., was killed when the car he was driving crashed headon into a coupe driven by Arthur R. Fleck, 53, of South San Francisco.

The accident occurred at 5:30 p.m. on Coast Hwy. about 100 yards north of precipitous Devil's Slide.

Dean's fiancee, Jeanne Boissevain, 23, of 99 Almendral Ave., Atherton, suffered a minor knee injury, and Fleck sustained minor bruises.

Miss Boissevain said that she and Dean had gone for a Sunday drive about 1:15. They went to Woodside and then to Sharp Park.

They had been engaged for about a month, and the marriage date had been set for next August, when Dean was to have his vacation.

"We were returning to Redwood City, and were talking about getting married," Miss Boissevain, a pretty brunette, declared.

"Suddenly, he said 'Let's go to Reno and get married now.'

"We decided to go home and talk it over with our parents—and then there was a crash."

The California Highway Patrol reported that the accident occurred on a curve in the highway. Flick stated that he saw Dean's car come around the curve, swerve off the road, and then back onto it. It went into a broadside skid on the wet pavement, crashed headon into Fleck's car.

Dean was thrown to the right side of the car by the impact, on top of Miss Boissevain, the officers said. His head crashed through the windshield. The jagged glass severed his jugular vein and nearly decapitated him.

Miss Boissevain was pinned in the car. The door on her side of the vehicle was jammed, and she finally managed to extricate herself, crawl over her fiance's body and out through the door on the driver's side.

She and Dean started going together about three months ago, she declared, and he gave her his ring on Feb. 11. She is a former Los Angeles girl and at present works for California Pacific Title Insurance Co.

Dean was born in Redwood City and graduated from Sequoia High School in February, 1944. He played basketball and baseball while at school.

He entered the army in March, 1945, serving in the occupation army in Japan for two years. He was discharged as a sergeant.

At the time of his death he was assistant foreman at Territo's warehouse. He also had been employed by the Tribune as a mailer.

Survivors include his parents, Mr. and Mrs. J. W. Dean, who owns a grocery store at 1128 El Camino Real; a younger brother, Keith; and a grandmother, Mrs. Ruth Dean of Sunnyvale.

He was a member of the Cpl. James William Lindsay Post, Veterans of Foreign Wars, and of Court Madrone 158, Foresters of America.

Funeral services will be conducted at 9 a.m. Wednesday at the Layng and Tinney Funeral Home, with interment to follow in Golden Gate National Cemetery, San Bruno. The rosary is to be recited Tuesday at 8 p.m., and the VFW also will conduct memorial services at 8:15 p.m. Tuesday.

The worst of the other accidents was a crash on Junipero Serra Blvd. near Sneath Lane, San Bruno. Six persons, three of them sailors, were hurt when the car in which they were riding skidded on the wet road, hit a bank and rolled over several times.

The injured were Robert N. Wheatley, 21; Walter Foss, 20; James Mountain, 21; all stationed at Hunters Point; and Mrs. Elizabeth Foss, 21, Grace Ladnier, 18, and Josephine Smith, 21, of San Francisco.

Mountain suffered a compound fracture of his left leg and a head injury; Miss Ladnier sustained a possible fractured pelvis; and the others a series of cuts and bruises.

Supervisors Ask Patrol On Coastside

The California Highway Patrol Tuesday was asked by the county board of supervisors to assign a man for the full-time patrol of Coast Hwy. and the Coastside area.

The board took the action after receiving a complaint from the Moss Beach-Montara Parent-Teacher Assn. that persons injured in accidents were not being picked up promptly by county ambulances.

Mrs. Elsie H. Bachman, chairman of the ambulance and emergency aid committee, wrote that Raymond Shea, a San Francisco schoolboy, had to wait two hours before he arrived at a hospital.

The boy died a week after the accident, and Mrs. Bachman wrote that if quick medical care had been given, his life might have been spared.

"Even the doctors at Half Moon Bay refuse to come," she stated.

Dr. R. D. Borley and Dr. James Waters, in a letter to Chmn. Alvin S. Hatch, denied that they ever had turned down on emergency call. They said that they could be reached at any hour of the day or night, and always answered the calls.

However, sometimes, as in the case of the Shea boy, they were not called. They also pointed out that they have provided emergency medical equiment, such as blood plasma, at their own expense.

Dr. Harold Marks, acting health director, provided the board with exact statistics concerning the Shea case. The call for the ambulance arrived at 10:24 p.m.,he said, and an ambulance was dispatched immediately.

It arrived on the accident near Moss Beach, at 10:50; left with the patient at 10:56 and was back at the hospital at 11:23.

The total time, including the six minutes consumed in giving emergency treatment to the patient, was 59 minutes.

"I know that the doctors never refuse to answer a call," Hatch declared, while Supervisor Thomas L. Hickey called Mrs. Bachman's complaint, "a lot of hearsay."

Hatch added that Coast Hwy. should be better patrolled by the CHP, in order to cut down the speed of cars traveling the road.

Two Men Injured On Wet Streets

Two men were injured on slippery pavement Monday and early Tuesday morning in Redwood City.

Most seriously injured was Lucas B. Kruse, 60, Redwood Diner cook, who was struck by a station wagon driven by Lela A. Cowles, 47, Sierra Marina Tavern, Skyline Blvd.

The pedestrian was crossing El Camino Real at Broadway when the northbound car struck him at 12:15 a.m.

He was taken to Community Hospital where attaches said he was suffering from a "badly" fractured leg.

Robert L. Huber, 19, 828 Toyon Way, was the other casualty.

He was driving a motorcycle Monday afternoon when he collided with an automobile driven by Gerald H. Joldersme, 31, 727 Lake Mead Way, Emerald Lake, at Jefferson Ave. and Ruby St.

Huber was taken to Palo Alto Hospital where attaches were waiting X-ray results before determining the extent of his injuries.

11 Fire Alarms Here Last Month

There were 11 alarms which resulted in a fire loss of $4770 during February, Redwood City Fire Capt. J. W. Keller announced Monday.

So far this fiscal year firemen have answered 247 alarms and list a fire loss of $312,272.06. Last fiscal year to date they had answered 274 alarms and listed a fire loss of $21,535.97. Of the total for this year, $262,333 of the loss resulted from a November fire at the Red Feather Products Co., Ltd., plant.

Council Split In Belmont Over Zoning

The Belmont City Council last week split over a decision on rezoning for business three lots in the Homeview Tract, after petitions both favoring and opposing the rezoning were presented to the council.

While two councilmen, George Pyatt and Earl Miller, opposed the zoning on the grounds that Belmont should have a centralized business district, Mayor Harry T. Walden and Councilman Walter Guild agreed that the council should fulfill its promise of two years ago to Contractor John Cockcroft to zone the three lots for business.

"The city must live up to its commitments," Guild declared, "if Belmont does not live up to its commitments, it has no integrity whatsoever."

Pyatt questioned the previous action of the council as poor planning. "It is necessary to have a central business area in a city the size of Belmont," he declared.

When councilmen investigated the petitions both for and against the zoning, it was discovered that there was a number of signatures duplicated on both petitions Guild suggested that if both petitions were inaccurate they be disregarded. Sixty-nine persons signed the petition opposing the zoning and 86 approving it.

The council also voted to write the State Board of Equalization and go on record as opposing the granting of an on sale liquor license to a grocery store to be located near the new Barrett School.

Las Lomitas Plans School Bond Vote

Residents of the Las Lomitas Elementary School Dist. will be asked to vote a $36,000 bond issue within the next six weeks to help finance construction of additional classrooms.

The decision to call on voters to pass a bond issue was made by the board of trustees at a meeting Monday night at the Las Lomitas School.

Trustees have $48,000 for classroom construction but an additional $36,000 is needed to provide a $60,000, three-room unit, purchase additional land and improve playground facilities, officials said.

Las Lomitas School will need 13 classrooms to accommodate an anticipated enrollment of 404 students next fall, Dr. Percy Davidson, chairman of the board, pointed out.

Growth of population in the district during the past three years resulted in an attendance growth in school enrollment so that double sessioning may be necessary unless additional classrooms are provided immediately, Dr. Davidson said.

Gets 6 Months in Jail For Indecent Exposure

Edward E. Bennett, 26, of 531 Stanford Ave., was sentenced by Police Judge W. H. Thorpe Monday to six months in the county jail. He had been arrested on a charge of indecent exposure.

When he was arrested he told Redwood City police he was on probation for a similar offense. His previous arrest was by the San Mateo County sheriff's office.

Disaster Relief Group Organized

Sequoia Chapter, American Red Cross, Tuesday night set up a disaster relief organization headed by Paul Whaley, S&W plant executive. Whaley named these subcommittee chairmen: Mrs. Polk Dodson, registration and information; Dr. Alf T. Haerem, medical and nursing aid; Dr. Harry Peckham, shelter; John Ball, Allan Rollins, food and clothing; Irving E. Kesterson, transportation; R. L. Spangler, communications.

Whaley outlined the Red Cross policies in handling disaster situations, and said the Sequoia Chapter's plan would be integrated with a city plan for Redwood City now being formulated by the city council. In other parts of Sequoia Chapter's area special representatives of the disaster committee will be named.

Others present at the organization meeting: Louis B. Dematteis, chapter chairman; Mrs. Gray Lusty, Mrs. J. L. Rogers, Mrs. Paul Surber and Mrs. Audrey James.

CHP Arrests Pair On Driving Charges

The California Highway Patrol arrested two persons on charges of drunken driving in San Mateo County during the weekend.

The men arrested are Donnie W. Mickelson, 32, a San Francisco butcher, picked up on Bayshore Freeway near San Bruno, and David Docton, 35, also of San Francisco, arrested on Bayshore Hwy. near South San Francisco.

Night Club, Home Burglarized

The sheriff's office Tuesday reported that thieves broke into the Topper Club, 1976 University Ave., East Palo Alto, early yesterday and stole about $200 in change.

The money was taken from pinball machines, an amusement console machine and from the juke box. The cash containers had been pried open.

The burglars entered the cafe by forcing open a window of the men's room.

A fur coat valued at $200 and an electric mixer were taken from his home in a burglary during the weekend, Norman A. Tanner reported to the sheriff's office.

The thief entered the house by breaking open a bathroom window, deputies declared.

Fire Dept. Men Get New Status

Fire Chief Joe Lodi Tuesday announced the civil service appointments of Richard Drivon as fire inspector and William McClure as fire captain.

The two men will have to serve six-months probationary periods before receiving permanent appointments. They have both passed civil service examinations.

Carpenter Held On Drunk Charge

John J. Melnikoff, 38, Valota Rd. and Louisiana St., a carpenter, was arrested by Redwood City police Sunday at 4:05 p.m. on a charge of drunken driving.

He was arrested at Main and Chestnut Sts. and later released on $250 bail.

BY BUD SPRUNGER

Today's Beacon house is the product of Lynn Miller of Menlo Park, a former employe of a large contracting firm who is now constructing houses on his own.

This house is on a 50-foot lot on Sonoma St. in Belle Haven and sells for between $12,000 and $12,500.

Miller's claim is that conventional designed houses can be properly constructed to last for a long time and still not be expensive.

He's been designing the structures himself and supervising construction closely.

As proof of his claim, he offers that when Federal Public Housing Authority officials inspected the house pictured they told him that he had valued it too low.

They told him it was the first time they could remember when they had found a house selling for less than they thought it was worth and they quickly approved a bank loan so that it could be purchased.

This house is large enough to take care of the modern small sized family. It contains two bedrooms, a living room with fireplace, a dinette, a kitchen and a porch, as well as a lot of closet space.

Miller's theory is that the average young couple should plan to build two homes during its lifetime. The first house, he says, should be economically constructed and should be used for maybe 10 years.

By that time, he continues, the family should be squared away and able to afford a better house. There is also the chance that in 10 years or so building prices may be cheaper and the couple can then afford a more elaborate home.

At that time, the couple could sell the house and carefully go on to the second one.

Darrell Martins Honeymoon In Cuba

Mr. and Mrs. Darrell Martin, the former Edith Mangold, left following their wedding Sunday in Palo Alto for a month's honeymoon trip through the Southwest to New Orleans and Cuba.

Upon their return the couple will settle in a Menlo Park apartment.

The bride is the daughter of Mr. and Mrs. Arnold Mangold of 202 Valparaiso Ave., Atherton. She is a graduate of Sequoia High School and Heald's Business College.

The bridegroom is the son of Mr. and Mrs. K. L. Martin of 294 Hoover St., Menlo Park. He is also a Sequoia graduate and served three years in the navy. He has one sister, Mrs. Ernest Carter of Menlo Park.

Surprise Bridal Shower Given Ruth Reed Gass

When Ruth Reed Gass, a recent bride, entered the home of Bessie Buell recently, she found she was the guest of honor at a surprise miscellaneous bridal shower.

A bridal bouquet with yellow and orchid streamers was tossed into Ruth's arms as she entered the doorway. At the end of each streamer was a short rhyme telling her where to look for gifts.

Decorations centered about the dining table which was arranged with a cut glass bowl filled with yellow daffodils and surrounded by purple hyacinths and tall yellow and white tapers.

Those attending were Eleanor Alphonse, Joan Ritchie, Doris Sylvester, Joyce Reed, Nancy Ortman, Marge Schaffer, Dorothy Sweeney, Jody Dimick, Pat Baker, Mary Cesano, Ruth Anderson, Mrs. Reed, Mrs. Bernice Heflin, the honoree, the hostess and the hostess' mother, Mrs. Alice Buell.

Sending gifts but unable to attend were Esther Elliott, Joanne Winkenwerder, Jean Schoenfeldt and Claire Bacon.

Workers Volunteer Aid For Community Concert

The Redwood City Community Concert Assn. has met with enthusiastic response in its appeal for volunteer workers in its membership campaign which begins Monday, Mar. 29, and ends Apr. 3, according to Mrs. Fred Blase, publicity chairman.

Headquarters for the campaign will be open at the Treasure Chest, 704 Winslow St., Redwood City, for the entire week of Mar. 29 to Apr. 3, Mrs. Park Q. Wray, the campaign chairman, reported today. Secondary headquarters will be open in Brown's Music and Radio Shop, 567 Laurel St., San Carlos, and Allerton Jewelry, 211 El Camino Real, Menlo Park.

Every day a staff of volunteers will be on hand at the headquarters to receive reports from the corps of workers being organized by Mrs. Wray and her co-chairman, Mrs. S. S. Mayo, to enroll members in the association.

Dues received from members of the association, Mrs. Wray said, will be pooled at the close of the campaign on Saturday, Apr. 3, for the purpose of engaging artists for the all-star series of concerts to be presented by the organization during the coming months.

Mrs. Wray stressed that the membership is open to every resident of Redwood City and the surrounding area. She added, however, that applications must be made on a seasonal basis during the campaign week, either through one of the membership committee or at the headquarters.

No more memberships for the 1948-1949 season can be accepted after the drive ends, nor can single tickets be sold for any of the individual concerts, Mrs. Wray said, explaining that the artist budget must be based on the number of members enrolled in the campaign week.

The artists, for the minimum of three concerts promised by the association, will be selected by the officers and board of directors from a comprehensive list embracing virtually all the world's well-known opera, radio, and concert singers, instrumental virtuosi and orchestral, vocal and dance ensembles.

Sigmas Plan Luncheon Meeting March 25

The Sigmas, wives of Sigma Chi fraternity members, will hold their regular luncheon on Thursday, March 25, at the home of Mrs. Robert Shiner, 124 Dartmouth Rd., San Mateo. The luncheon will begin at 1 p.m.

Mrs. William Hansen of Burlingame, Mrs. Brent Rickard Jr. of Millbrae and Mrs. Donald Titley of Burlingame will be cohostesses.

On April 2 the Sigmas will hold their dinner dance and installation at the Claremont Hotel in the Blue and Gold Room. All Sigmas and Sigma Chis in the Bay Area are invited to attend. The affair will be semi formal and cocktails will be served at 6 p.m. to begin the evening.

Mrs. Donald Titley, Sigma president, is general chairman, assisted by Mrs. Robert Shiner, coordinating chairman Mrs. Bert Talcott program chairman and Mrs. Richard H. Barger, reservations.

Joyce Ellen Moses to Wed Henry Crossfield on April 10

Mr. and Mrs M. L. Moses recently announced the coming marriage of their daughter, Joyce Ellen, to Henry R. Crossfield.

The wedding will take place on Saturday, Apr. 10, in the First Methodist Church of Redwood City. The Rev. Ronald White will perform the ceremony.

"Hank" is the son of the Andrew Crossfields of Redwood City and the brother of Adolph Crossfield.

Both Joyce and Hank are graduates of Sequoia High School. Hank is a member of the marine corps and during the war he served two years in China and Guam. He is currently stationed at the Alameda Naval Air Station. Joyce is employed in the county assessor's office here. She has two younger brothers, Myron and David.

Alma Barker Of Australia To Wed Mar. 27

Alma Barker who came from Australia a year ago to live with her sister, Mrs. Fred Walker, an Australian war bride, will become a bride herself on March 27.

Alma will become the wife of Edwin Ellison of the U. S. Navy in St. Peter's Epsicopal Church in San Francisco.

Recently Mrs. Frank Brady gave a dessert luncheon and miscellaneous shower in Alma's honor.

Attending were Mrs. John Ball, Mrs. Bancroft Robertson, Mrs. Robert O'Connell, Mrs. Frank Thomas and Mrs. Fred Walker.

Tax Liabilities Told by Brophy

Although no personal property taxes will be charged against householders again this year, City Assessor John J. Brophy said the Redwood City government was today placing valuations for tax purposes on business concerns' personal properties.

Hoover School Mothers Meet

Hoover School Mothers' Club met Tuesday for its regular monthly meeting.

Nancy Mateo of Brownie Troop 8 led the flag salute and Brownies sang three numbers.

On Apr. 16 the club will sponsor a Jane Lee breakfast broadcast at the Three Owls.

Athletic Club Discusses Bond Issue at Meeting

San Carlos Athletic Club discussed the issues of the proposed recreation bonds on Tuesday evening, when they met at Laurel Hall.

Al Knorp, recreation commission chairman, was guest speaker, and introduced the issues to the club membership.

Warren Hayden, recreation director in San Carlos, was present to participate in the club's discussion and to help answer questions.

The club membership voted to financially support the bond issue on the Apr. 13 ballot and pledged $20 to the campaign. A collection was then taken up for individual donations and the total presented to the recreation bond committee, announced William Barthold, publicity chairman for the Athletic Club.

Fred Barg, social chairman, reported on the Spring Sport Dance at the Central School Auditorium, Mar. 27. Tickets, selling for $1.50 per couple, including tax, were on sale at the meeting and will be available from the committee members and at several downtown stores. The public is invited to attend.

The dance committee was announced: George Wallace, Jim Dubey, Russ Ellis, Bill Dixon, Ed Mitchell, Roy Dunton and Ray Fitzgerald. Bob Shears and Abe Granish are acting as ex-officio members.

Fred Lamb's Orchestra will be the band for the dance.

Automobile Insurance Rates Rise on Injury, Property Damage

Peninsula area motorists had to revise their automobile budgets today as car insurance rates took a jump equal in some instances to more than 30 per cent.

The insurance rate increases, made public this morning and effective immediately, were announced by the National Bureau of Casualty Underwriters and affect all capital stock companies, comprising a large majority of local policyholders.

The rate increases are general throughout California with larger boosts indicated for San Francisco than for Peninsula cities.

Myron Evans Harman, president of the Redwood City Dist. Assn. of Insurance Agents, explained that the increases are broken down into four classifications, each involving the rates for bodily injury and property damage insurance.

He pointed out the following changes:

Class A-3—for all automobile operators and permitting unlimited mileage: Bodily Injury—old rate $18, new rate $27; Property Damage — old rate $11.50, new rate $18.

Class A-2 — an entirely new classification, limited to operators over 25, and permitting unlimited mileage. Bodily Injury $22, Property Damage $15.

Class A-1 — Limited to operators over 25 and limited to automobiles travelling under 7500 miles a year: Bodily Injury — old rate $16, new rate $20; Property Damage—old rate $11, new rate $14.

Class B—for vehicles used in business: Bodily Injury—old rate $23, new rate $28; Property Damage—old rate $15, new rate $19.

Harman pointed out that although the rates appear large, they are generally one-fourth lower than the San Francisco area. He explained that the Redwood City area includes the district from South San Mateo to Mountain View inclusive.

Building Barometer

SAN CARLOS

(Reported by Mrs. Alyse Rodgers, assistant to the building inspector.)

To date this year . . $1,571,400

NEW PERMITS — Charles Doherty, 1532 Belmont Ave., $12,000 dwelling; Henry Drotleff, 591 Cedar St., $8000 apartment; E. B. Standish, 101 Highland Ave., $10,000 dwelling; 37 Highland Ave., $10,000 dwelling; 21 Highland Ave., $9000 dwelling; Gould Construction Co., 210 Rockridge Dr., $20,000 dwelling; C. Bertini, 1724 Elizabeth Ave., $12,000 dwelling; R. Alessandri, 17 Sunnyvale Ave., $12,000 dwelling; 42 Stanford Lane, $10,000 dwelling; L. E. Shannon, 156 Palm Ave., $10,000 dwelling.

New Officers Preside Over Gold Star Mothers' Meeting

Peninsula Chapter of American Gold Star Mothers, Inc., held their first meeting last night with their new officers presiding.

The chapter was organized recently and installation of officers was held.

Officers are Selma Campbell of San Carlos, president; Elizabeth Winters of Redwood City, senior vice president; Agnes Sisney of Redwood City, junior vice president; Ulrica O'Sullivan of Redwood City, treasurer; Reine Arguello of San Carlos, secretary; Martha Roberts of Redwood City, chaplain; Mary Nelson of Redwood City, sergeant-at-arms Rhoda C. McVicker of Redwood City, and Ann Tommasac of Redwood City, color guard.

Other members of the organization include Ruth Grundermann of Menlo Park; Alice Priest of Redwood City; Edith Love of Palo Alto; Martha Stefanski of San Carlos; Ruth E. Stumph of San Carlos; Gladys C. Austin of San Carlos; Mayne A. Riley of Redwood City; Dora A. Leahy of Redwood City; Anne Knight of Redwood City; Alta C. Simmons of San Mateo; Bessie Smith of Palo Alto; Carmen Barber of Palo Alto; Julia C. Thomas of Palo Alto, and Mary Katherine Stern of San Mateo.

Among the guests at the installation were Eleanor Boyd of Long Beach, past national president, who acted as installing officer; Floyd Granger, who represented Mayor W. W. Hilton of Redwood City; Rowdy Holmquist, city councilman; the Rev. Paul Fryckman, and Mayor Patrick Kearns of San Carlos.

Rose Wilson, May Kirschner and Catherine Ricci, Gold Star Mothers from San Francisco, acted as a color guard.

The committee which served during the ceremony were Adeline Constanta and Lucy Balsamo from the American Legion Auxiliary; Dolores Farrell and Erma McClure from the DAV Auxiliary No. 16, and Eva Kirk and Dorothy Allman from the Veterans of Foreign Wars Auxiliary 2310.

Gifts were presented the chapter by Mary Rudd, representing the VFW post and auxiliary; Lucy Balsamo, the American Legion; Mrs. Cribasso of the United Spanish War Veterans and Mae Foster, the USWV Auxiliary; B. L. Marsland and Mrs. Cox, the Canadian Legion post and auxiliary; Mary Monroe, the Daughters of Union Veterans; Mrs. Dolores Farrell, the DAV Auxiliary; W. A. McClure, the DAV chapter; the Gold Star Mothers of Salinas; Veronica R. Jeams, and Maude Musgrave, who presented the chapter with a Bible.

Mrs. Ralph Ortega Honored at Baby Shower

Mrs. Ralph Ortega was the guest of honor Saturday at a baby shower given by her mother, Mrs. Mary Triana and her sister-in-law, Madeline Ortega.

Guests at the shower were Mmes. Dolores Ortega, Ann Ortega, Florence Ortega, Dalpne Ortega, Clara Ortega, Emma Cohellero, Antonia Castro, Bert Garcia, Frances Leal, Frances Ferriera, Alice Triano, Jennie Vera Querantes, Jennie Llano, Nita Romero, Frances Vargus, Antonia Molina, Catherine Rodriguez, Helen Rondon, Josie Schrader and Antonia Imbernon and the Misses Mary Ortega, Carnation Palazon and Ann Garcia.

Unable to attend but sending gifts were Rose Hill, Lillian Morales, Marie Castro, Mary Castro, Eythle Schroder, Mary Bondi, Sally Aquilar, Henrietta Hernandez, Nellie Lopez, Mary Lopez, Flora Ortega and Lillian Sanchez.

Traditional "baby colors" of pink, blue and white were used in the decor and the centerpiece at the dining table was a white cake centered with a baby doll.

News of Commuters

It's tougher to get news for this column than to borrow a brush from a painter. No committee meetings this past week to dig up any dirt. Everybody asleep until mid-afternoon Sunday, trying to catch up on the hour they lost with the change of time.

"Loco" Bill McKeegan on a business trip to Phoenix (via ESPEE)., Roy Fredlund in hiding since he moved to his new home on Nimitz Ave., Tom Cutting supervising the construction of his new domicile, Bill Curran following the ponies at the Meadows, Chester Armstrong struggling with the other guy's income tax, Stan Perkins, Lloyd Liebman, Ed Horgan, Bert Morgan and Caboose of the nominating committee, trying to convince some poor unsuspecting member that he should accept the job as secretary of the club for the next year. Harrison Call making plans for the House Committee Semi-annual Jamboree at his ranch at Meadow Brook in the near future, Elmer Ross still gazing in the crystal ball for some good idea for an underpass, Art England and Joe Harper trying to convince some unfortunate that he should ride the 7:28 to learn their way of playing pinochle. No news from any of the above mentioned.

Jim Smith and his helpers have done a bang up job of collecting funds for the annual Red Cross drive. From all reports, they will pass their mark of last year. Larry Olness also doing the canvassing in the Palomar Dist. reporting good luck in his collections.

Herb Nelson still has a lot of room for helpers in his task of assisting the Girl Scouts at their camp at Woodhaven.

The annual dinner for Fathers, Sons and Daughters at Sequoia High School cafeteria Mar. 31 should not be overlooked as Duke Martin has made plans for a big night for the lucky ones attending. Don't forget the "Great Cantini" and his bag of tricks will furnish the entertainment. House committee members will have tickets for sale the middle of the week.

Marty Formico has the real solution for the tough parking situation at the depot. He says as long as so many cars are parked in front of his house on James St., he might let the little Formicos start a pickup and delivery service. Drive your car to his house in the morning, they will deliver you to the depot, pick you up at night and park your car during the day. Not a bad idea.

Glad to hear Mrs. Norton Roberts has recovered from her recent operation and has returned home.

Walter Stevenson has been appointed chairman of Boy Scout Troop 160 to succeed Roy Fredlund. Roy did a wonderful job as chairman of the troop. Carl Peters will take over the chairmanship of Cub Pack 16, formerly held by Walt.

Keen competition has always existed between Jack and Fred, sons of Fred Duttweiler Sr., however, Jack won out in this race. Born to Mr. and Mrs. Jack Duttweiler at French Hospital Mar. 8, a daughter, Ann; and, born to Mr. and Mrs. Fred Duttweiler at Palo Alto Hospital Mar. 9, a son, Frederick.

Sewage Plant Plans Gaining Momentum

Plans for the construction of a new Redwood City sewage disposal plant moved forward on two fronts today.

Bids for construction of the plant, estimated at $540,000, were scheduled to be open last week in the office of City Mgr. E. A. Rolison.

Meanwhile, two eminent domain suits for the plant were field today in the San Mateo County superior court.

One of the suits is to acquire title to the property on Steinberger St., the contemplated site of the sewage disposal plant. The owners, who bought the property recently, are listed in the complaint as Mr. and Mrs. John E. Layng, Mr. and Mrs. Arthur N. Blomquist, and Irving C. Blomquist.

The second suit is to acquire easements for the installation of the interceptor sewer.

The property owners are the Associated Oil Co.; Mr. and Mrs. Frederick B. Barns; San Mateo County Scavenger Co.; Mr. and Mrs. Charles E. Archibald; Advanced Tool Manufacturing Co.; Douglass and Woodhouse; Hedahl - Martin Co.; Mr. and Mrs. Sidney D. Herkner; Emmett W. Paul; and the Tacoma Mills Co.

A primary treatment plant is to be constructed at Steinberger St. and Steinberger Slough. This plant will remove solids and treat them so that they are sanitary and non-offensive. It will treat the liquids so that they, too, are inoffensive and sanitary and then dump them into the bay.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

Youth Council Party Success

Irving O. Smith reported that the Youth Council of Belmont party last Friday, under the sponsorship of the Boy Scouts, was a success.

Troop 161 will divide the proceeds of the party with the Youth Council, as each month a different youth organization in the city is the sponsor and partial recipient of the receipts.

Awards went to the following: Marjorie Simmons, Frank Arnold, Mary E. Carlos, Catherine Tedesco and Adeline Valladao.

Belmont Sea Scouts Attend Mariner Party

Belmont Sea Scouts were invited to the Palo Alto Yacht Harbor last Saturday night for a party given by the Girl Mariners.

The boys went in their uniforms and the girls wore sport dresses for an evening of informal fun.

Assisting Smith from the Boy Scouts were William Keil Sr., Charles Hodgson, Charles Lyon, John McLeod, and from the Youth Council, Lloyd Taft, Mrs. Irving Smith, Mrs. D. M. Anthony and Mrs. Carl Valladao.

Stolen Drapes Recovered

Drapes valued at $1000, stolen from the Troutmere Inn, La Honda, Saturday night during an interfraternity drinking bout by Stanford students, were turned in Sunday to the sheriff's office.

Chief Dep. Sheriff Walter Moore said that the owner of the inn, N. E. Heeter, had decided not to press charges against the students.

Milo Gates, president of the Phi Delta Theta fraternity, returned the drapes to the sheriff's office yesterday afternoon after they had been reported stolen.

Freedom Train Funds Sought

Mayor W. W. Hilton announced today that contributions toward the Redwood City Freedom Train quota should be made either to him or to any Redwood City bank.

The quota has been set at $800. Expenses of the Freedom Train are paid for by contributions from the areas which the train visits.

Mosquito Warning: Watch Fishponds

A request that fishponds be checked to avoid the spread of mosquito larvae was made today by R. J. Thomas, director of the Pulgas Mosquito Abatement Dist.

Thomas explained that the recent rains have filled many ponds which had dried up during the rainless months. He said that ponds without fish are good breeding places for mosquitoes to reproduce.

He said that anyone having a fishpond and who does not have fish may obtain them by calling the abatement district at EM 6-5711, Ext. 225.

Thomas explained that the mosquito eggs, referred to as "wigglers" are barely visible at first, but later they take the shape of small matches and finally like inverted commas about one-fourth inch in length.

If you want prices to come down, every time they come down you can't choke them off with anti-inflationary measures.
—Sen. Robert A. Taft (R-O.).

Safeway Trims It *Before* Weighing
...SO YOU SAVE MONEY

HEAVY CHINE BONE REMOVED
by Safeway (and replaced with a layer of fat, light in weight, to seal in meat juices) before we weigh your rib roast on the market scales. It gives you a roast that cooks and carves better

We'll Give You 2 Rib Roasts
(THEY WON'T COST YOU A PENNY!)
*If ever you get a Safeway Rib Roast not trimmed this money-saving way**

END SECTION OF SHORT RIBS REMOVED
by Safeway before we weigh your rib roast (we sell these short ribs separately, at a lower price per pound). Your Safeway rib roast includes only the tender center portion that will roast just right

Test purchases by Independent Bureau show you can save money on meat

We asked an independent research organization to check methods of trimming meat here.

And we secured proof that it pays you to check trimming as closely as you check price when buying meat.

In 201 representative markets in this area where they bought meat they found a great variation in the way meat is trimmed.

In 94% of the markets other than Safeway, rib roasts purchased were not trimmed before weighing. Had the rib roasts been first trimmed and *then* weighed (as Safeway does), the average saving would have been a little over 9¢ per pound. Actually, customers of some of these stores would have saved amounts up to 20¢ per pound.

This survey shows unmistakably that thousands of housewives in this area are paying regular meat prices —which are high enough these days, goodness knows—for waste that is thrown away!

- *Example:* For rib roasts purchased UNTRIMMED shoppers paid an average of over 54¢ more per 6-lb. roast than if these roasts had been trimmed BEFORE weighing. In some markets up to $1.20 more!
- *Example:* For T-bone steaks purchased UNTRIMMED shoppers paid an average of almost 22¢ more per 2-lb. steak than if these steaks had been trimmed BEFORE weighing.
- *Example:* For rib lamb chops purchased UNTRIMMED shoppers paid an average of over 18¢ more for six chops than if these chops had been trimmed BEFORE weighing.
- *Example:* For legs of lamb purchased UNTRIMMED shoppers paid an average of over 42¢ more per 6-lb. roast than if these roasts had been trimmed BEFORE weighing.

You are entitled to these worthwhile savings on the meats you buy. Trade with a market that trims meat BEFORE weighing!

It means more tender, juicy meat in every pound you pay for...*a bigger value for your meat dollar at Safeway!*

YOU SEE ABOVE how Safeway removes excess bone and waste from rib roasts *before* weighing. And the test-purchase report presented here shows you how important it is to compare trimming as well as price.

We prepare other cuts in similar fashion — each according to its special requirements. This waste-free cutting is part of Safeway's Guaranteed Meats plan. We *regularly* trim our meats this way.

When you compare meat prices, remember that Safeway's prices always are on the TRIMMED cut, free of excess bone, waste and fat, ready for cooking.

If ever you're not satisfied that the meat you buy at Safeway is trimmed the money-saving way we say, just show it to the manager of the Safeway store where you bought it. If your Safeway rib roast (for example) is *NOT* trimmed as shown above—you get *TWO* rib roasts without a penny's extra cost *(and without quibble or argument!)*

Safeway buys nothing less than the top government grades of beef (all beef sold at Safeway is U.S. Government graded) . . . nothing less than the top grades of lamb, pork and veal. More. We hold our meats the full number of days needed to bring out peak flavor and tenderness. And we safeguard their goodness with exact temperature controls.

Come prove for yourself — there's more good-eating at less cost in Guaranteed Meats from Safeway!

SAFEWAY GUARANTEED MEATS

*This offer effective at all Safeway markets in this County

Garden Club Members Plan Series of Radio Talks

Hillsborough Garden Club has arranged a series of radio talks to familiarize the public with the outstanding features of the four houses and gardens to be shown on the house and garden tour to be given on Wednesday, Apr. 7.

On Wednesday mornings at 11:15 a.m. on KSMO (program called "Sugar and Spice") Mrs. Graeme McDonald and Mrs. Leonard Wood Jr. will describe in turn the interiors and furnishings of "Strawberry Hill," the residence of Mr. and Mrs. Charles R. Blyth; "Rose Court," the home of Mr. and Mrs. George Cameron; "New Place," planned and built by the late Mr. and Mrs. William H. Crocker, and the home and garden of Mr. and Mrs. Thomas G. Franck.

The broadcast on Wednesday, Mar. 24, will be particularly interesting when Mrs. Henry Potter Russell (Helen Crocker), co-chairman of the tour, following a description of "New Place," will speak on the six-point UNESCO program and its relation to the Hillsborough Garden Club's horticultural student exchange. Mrs. Russell has recently been appointed a member of the national commission of UNESCO.

Beginning Tuesday, Mar. 30, daily at 9:30 a.m. on radio station KVSM, feature garden descriptions will actually originate in the four gardens where roving microphones will enable a group of gardener-members to describe the spring beauty of the gardens as they will be in bloom on the day of the tour. On Saturday, Mar. 20, over radio station KFRC, a general program will be heard to familiarize the public with the many unusual features to be seen on the tour of these homes. Participating in these radio talks will be Mrs. Graeme McDonald, Mrs. Henry Potter Russell, Mrs. Walker Kamm, Mrs. Leonard Wood Jr., Mrs. Hilliar Brown, Mrs. Kenneth Monteagle, Mrs. Carl Homer, Mrs. Roger Bocqueraz, Mrs. George Cameron and Mrs. Augustus Taylor Jr. Norvell Gillespie and Bill Willar will assist the groups as masters of ceremonies.

Feted on 25th Anniversary

Mr. and Mrs. Vern Aten of 184 Buckingham, Redwood City, were the guests of honor at a buffet supper this weekend in honor of their 25th wedding anniversary.

The supper was given by the Aten's daughter, Mrs. Robert Thibault at her home on Fifth Ave., for about 30 relatives and close friends.

Mr. Aten's father, Ross Aten of Bushnell, Ill., is visiting on the coast, and presented the couple with 25 silver dollars, one for each year of their married life.

Among the other guests were the Aten's son and his family, Mr. and Mrs. Richard Aten and son, Gary of Redwood City, and the Atens' younger daughter, Sharon, who is a student at Garfield School here.

Mr. and Mrs. Aten have been residents of Redwood City since 1944. Before that they made their home in Rock Island, Ill.

Stalin will proceed on the policy, which was also that of Hitler, of seizing control, state by state. —Arthur Bliss Lane, former U. S. Ambassador to Poland.

There's no need to rush all over town to get the lowest prices . . . they're all here at Safeway. Under a long-established pricing policy, our first step is to give Safeway customers the benefit of our efficient way of doing business by pricing everything at the lowest point which will yield a reasonable profit. But we go beyond this in that we also meet the lowest price of every competitor, item by item, day by day, town by town.

Now is the time for that extra "fresh up" you like to give your home in the spring. It needn't be such a big job if you enlist the help of modern cleaning aids from Safeway.

GARDEN: Still Early To Plant Those Bean Seeds

BY ROLLY LANGLEY

Most of you readers do not have your Potomac bean seed yet, but don't worry because you should not plant the seeds for another couple of weeks, since you will want the best conditions possible. These longer days (no, daylight saving time doesn't mean more hours of sunlight for the plants, just more hours of care for them) are warming up the soil, and you'll get better results from beans planted in early April.

But why not take a chance now on some good variety of which you can get plenty, such as the Morse No. 191? Maybe a rare frost will make you a loser. But you can plant more and not be out much. You may be a winner!

Mrs. E. Bohline of Richmond has planted 200 strawberry plants and wonders if she should keep the runners cut back. Since she planted them a foot apart, and would like berries this season, the answer is yes. You can usually force a fair crop the first season if you cut the runners back quickly after they start. Then along in late summer, you can let them grow, in case you want to increase your stock, or make a more solid bed of them.

"Anyone who ever had a Victory Garden would not need the National Garden Institute or anyone else to advise them to replant this year, unless they were downright lazy and did not like digging," writes Mrs. P. G. Welch of Redwood City. "No matter what you expect in life, one has to dig for it," she adages out.

Mrs. G. N. Keller of Redwood City wants to plant Yard-Long Beans. Sorry, that wasn't the variety we were giving away, and besides the beans we were giving away, Potomac, are all gone.

Mrs. W. L. Roberts of San Gregorio asks how okra will do in that climate. Since it's on the coast, with considerable summer fog the normal thing, it might be all right this year, since so little in normal. But normally, okra wouldn't do well over directly on the coast. Okra likes warm nights.

She also asks where to get seeds for dry beans, like cranberry beans. Most seed houses will stock them, although you don't find them in seed packets in the seed racks. But limas, navy white, even the cranberry beans you buy in the store can be planted. They usually will give you a crop, although you can't count on quite the same germination you have a right to expect from tested seeds.

Daylight saving came so suddenly I'm still receiving letters from greenthumbers who are asking that this column try and promote it, along with coloring matter in oleomargarine. We already have the time saved, but that coloring deal is going to take longer. The tax and statute are national, and there are some very big dairy states fighting it . . . Wisconsin, for example, and 47 others.

Writes George Stohar of Redwood: "One of my troubles is getting rid of broken glass, dishes, old tin cans and such other rubbish, out of the soil in my backyard. There isn't a spadeful that wouldn't have some of the above in it. I am not expecting advice on the above matter, picking out undesirable stuff by hand, not all at once, but gradually, seems to me, is about the best way. That is what I am doing before trying to improve the soil texture with gypsum and humus materials."

Well there's a quicker way, if you make yourself a gadget. In fact it's such a handy gadget that every serious greenthumber, or every greenthumber who gardens seriously (there's a difference) should make one.

You make a frame of wood, about 30 inches wide and 40 inches high, out of 1x4 inch material, using it edgewise, so your frame is four inches deep. then you nail on hardware cloth, stretching it as tightly as possible.

This makes a garden size sifter. You can lay it on the ground, throw a spadeful of soil on, and sift out the glass and other extraneous matter. You can nail a couple of props on, so that it will slant. By going over your garden, spading it up, and throwing each spadeful through the sifter you can soon get the big stuff out, with one pass through.

New Residents Arrive From Australia

Two new residents have been added to the area with the arrival of David W. Mack and his son, David L. Mack, on Saturday aboard the Marine Phoenix from Australia.

Mrs. Mack has been in this country for the past four months, and her husband and son have come to join her, at her home at 181 Loyola in Atherton.

The Mack's daughter, Mrs. Richard Hoeck, is already a resident of Redwood City. She came to this country some time ago as an Australian war bride, and was first president of the recently organized club for war brides.

Births

To Mr. and Mrs. Robert Williams, 1064 10th Ave., a daughter was born on Mar. 13 in a San Mateo hospital.

To Mr. and Mrs. Richard Ricketts, Route 1, Box 2235, a son was born on Mar. 13 in the Palo Alto Hospital.

To Mr. and Mrs. Paul Podolan, 1104 Madison Ave., a daughter was born on Mar. 13 in the Palo Alto Hospital.

To Mr. and Mrs. Earl Goodard, 1201 16th Ave., Belmont, a daughter was born on Mar. 13 in the Palo Alto Hospital.

To Mr. and Mrs. Howard W. Shelton, 740 Fourth Ave., a son was born on Mar. 13 in the Palo Alto Hospital.

To Mr. and Mrs. Richard Livesay, 923 Holly St., San Carlos, a daughter was born on Mar. 13 in Mills Memorial Hospital.

To Mr. and Mrs. Jack Foreman, 1981 Eucalyptus Ave., San Carlos, a daughter was born on Mar. 13 in Mills Memorial Hospital.

To Mr. and Mrs. Edward Rich, 467 Center St., a daughter was born on Mar. 14 in the Palo Alto Hospital.

To Mr. and Mrs. Willard Jarchow, Bldg. 203, Stanford Village, a daughter was born on Mar. 14 in the Palo Alto Hospital.

To Mr. and Mrs. Leon Jackson, 2320 Spring St., a daughter was born on Mar. 14 in the Palo Alto Hospital.

To Mr. and Mrs. Edward Wheeler, 936 Cherry St., San Carlos, a daughter was born on Mar. 14 in the Palo Alto Hospital.

To Mr. and Mrs. Raymond King, 3448 Spring St., a daughter was born on Mar. 14 in the Palo Alto Hospital.

Native Daughters Plant Two Trees In Stafford Park

Bonita Parlor No. 10, Native Daughters of the Golden West observed Arbor Day recently by planting two trees at Stafford Park. The trees were presented to the parlor by Bert Werder of the San Mateo County Forest Service.

One of the trees was presented to the City of Redwood City and accepted by Councilman R. C. Holmquist; the other was dedicated by Bonita Parlor in honor of Mamie Glennan, their charter member.

Mrs. Glennan served on the original park committee instituted in 1901 and for 47 consecutive years has personally superintended the planting of a tree in Redwood City.

Mrs. Evelyn I. Carlson, past grand president of the Native Daughters, was the speaker of the day. Clarabelle Schmidt, a member of Bonita Parlor, sang "Trees."

Six members of the Native Daughters drill team, in gold and blue uniforms, acted as a color guard.

Another of the recent activities of the Bonita Parlor was the attendance of 27 members at the official visit of Doris Treat, grand president, to the Burlingame and Menlo Park parlors in Burlingame. Ulrica O'Sullivan of Bonita Parlor is the deputy grand president to Burlingame parlor.

NDGW Drill Team Takes Part in SF Parade

Members of the Bonita Parlor No. 10, Native Daughters of the Golden West drill team participated in their first parade of the year Sunday, when they marched in the St. Patrick's Day parade in San Francisco.

At a recent business meeting held at the home of Thelma Locatelli, drill team adviser, plans were made to hold the annual "Easter Egg Dyeing Party" at the home of Dolores Bozzo, drill team adviser. The eggs will be sent to the patients at the Palo Alto Veterans Hospital.

The team is also formulating plans to participate in the annual "Chamarita" held in Pescadero.

RC Woman Instructs Belmont Bridge Club

Bridge Section of the Belmont Women's Club met last Tuesday at the home of Mrs. Sidney Muller.

Mrs. Evelyn Jordan of Redwood City is the instructor for the group and they meet at the different homes as they learn the game.

Those present last week were Mmes. Harrison Klages, Peter Ross, William Dandy, C. Brown, J. Merrick, H. Olfwang, William Cellar, William Blank, H. C. Welsh, Lloyd Taft, A. Dowft, David Horn, Stanley Franks, Rose Roussel, Claire Ulsaker and the hostess, Mrs. Muller.

Vickie Chevassus Entertains Classmates

Vickie Chevassus entertained a number of here classmates from Sequoia High School at a dance and midnight buffet supper at her home in Emerald Lake last week.

Those present were Mr. and Mrs. C. L. Holt (Louise Chevassus), Misses Elaine Thompkins, Barbara Shake, the hostess and Messrs. Dallas Turner, Gene Whitmyre and Lowell Clark.
